><p>I'm afraid.</p>

I'm afraid of darkness. Shadows. My shadow. Afraid that he will take you away and leave me in this never ending dark, cold tartarus.

"Sousuke?"

I'm afraid to close my right eye. Afraid that when I open it, it will be sightless like my left eye. Afraid that when I open it, you aren't in front of me anymore.

"Oi Sousuke, what's wrong?"

I can't feel a slightest pain on my body. I wonder... will I die without feeling any pain? Or more importantly, will it hurt?

The pain of losing you, Shino?

"Hey, why are you ignoring me?!"

What will happen next? What will you take from me, Ao? Take everything. Everything I have. Just don't... don't take my other eye.

"... Sousuke?"

Don't take my eyesight.

"Hey...?"

Because if you do,

I can't see Shino anymore.

"... Sousuke why are you crying?"

Why, huh?

"Nothing."

Why am I even crying?

"Then stop crying..."

I don't know... I'm just...

"... I can't..."

Afraid.
